## [SECTION: FAQS & POLICIES]

| Customer Question | Official Verified Answer | Category |
|---|---|---|
| **What are your business operating hours?** | The digital assistant is available 24/7. Human support operates Monday·Friday, 9:00 AM·6:00 PM local time unless a holiday calendar says otherwise. | Hours |
| **How can I request a customized quotation?** | Use Pricing & Quote or describe your requirements in chat. A specialist follows up with a written estimate. | Quotes |

| | | |
|---|---|---|
| **What is your refund or cancellation policy?** | New subscriptions may cancel within 14 days for a full refund if onboarding deliverables are unused. After that, billing follows the contract notice period. | Refunds |
| **How do I contact a senior representative?** | Use Schedule a Callback and pick a slot, or ask for a human agent · we escalate with your ticket summary. | Contact |
| **Where can I see product feature comparisons?** | Ask for a comparison of Standard vs Professional tiers, or open Our Offerings for the catalog summary. | Products |
| **Do you offer onboarding and training?** | Yes. Custom Consultation & Setup includes configuration and a team training session; extra workshops can be quoted. | Onboarding |
| **How is customer data protected?** | We apply role-based access, encryption in transit, and tenant isolation. Detailed security summaries are available on request. | Security |
| **Can I integrate with my existing tools?** | Professional tier includes standard integrations; custom APIs are scoped as professional services. | Integrations |
| **What SLAs do you provide?** | Professional plans include priority support SLAs (response targets in the order form). Standard plans use business-hours email/chat support. | Support |
| **How do license seats work?** | Standard includes up to 5 seats; Professional is unlimited seats under fair-use. Extra admin seats can be added on Standard. | Licensing |
| **Do you support multi-location businesses?** | Yes · multi-branch profiles and localized menus can be configured during onboarding. | Setup |
| **How do I report a bug or outage?** | Raise a ticket via Customer Support with screenshots and time of issue. Critical outages are escalated immediately. | Support |
| **Is there a long-term contract requirement?** | Month-to-month and annual plans are both available; annual plans usually include a discount. | Pricing |
| **Can I white-label the experience?** | White-label options are available on enterprise agreements · ask Sales for branding guidelines and feasibility. | Branding |

### Knowledge Base Articles (indexed for chatbot retrieval)

| Knowledge Article Title | Category | Article Content |
|---|---|---|
| **Getting Started, Plans & Onboarding** | Onboarding | # Getting Started Choose Standard or Professional based on seats and support needs. Onboarding includes configuration help; Custom Consultation adds training and architecture review. Share your success metrics early so we tailor menus, FAQs, and automations to your workflows. |
| **Support SLAs, Escalations & Refund Policy** | Support | # Support & Refunds Human support runs business hours; the bot is 24/7. Ask for a human agent anytime for grievances. New subscriptions may cancel within 14 days for a full refund if deliverables are unused. Afterwards, cancellations follow the contractual notice period. |
| **Security, Integrations & Data Isolation** | Security | # Platform Trust Tenant data is isolated with role-based access and encryption in transit. Professional plans unlock standard integrations; custom APIs are quoted separately. Request our security summary for enterprise questionnaires and DPIA support. |

## [SECTION: BOT PERSONA & GUARDRAILS]

| Parameter | Rule & Guideline |
|---|---|
| **Tone & Style** | Consultative, professional and brand-aligned |
| **Welcome Greeting** | Welcome to Acme Global Solutions! How can I assist you today? |
| **Strict Guardrails** | Never offer unauthorized discounts; Never promise unlisted dates; Never ask for OTPs |
| **Human Escalation** | Transfer to human sales advisor when user asks for 'human', 'agent' or expresses dispute |
