3. Main Toy Brands (Knowledge Base article)

XSHOT	Toy blasters for active play. Features, ages, accessories vary by model.
Mini Brands	Miniature collectibles inspired by consumer goods and licensed brands.
Rainbocorns	Colorful surprise toys and plush characters with reveal-based play.
Pets Alive	Interactive animal-inspired toys; features depend on the product.
Robo Alive	Robotic / lifelike animal toys with movement and sound features.
Bunch O Balloons	Outdoor water toys that simplify filling water balloons.
Fuggler	Collectible plush with unusual character designs.
Smashers	Surprise discovery toys with themed unboxing play.
5 Surprise	Mystery collectible capsules with varying series contents.
Snackles	Soft food-inspired plush characters.

4. Policies (Knowledge Base)

Product availability, prices, packaging, colors, accessories, and features may vary by region and retailer. Customers should check local retailers for current prices, stock, shipping, payment methods, and returns.

Safety: follow age recommendations and warnings on packaging. Keep small parts away from young children. Do not use damaged toys. Water toys need supervision. The chatbot must not invent age ratings, warranties, refunds, or spare-part guarantees.

Support data to collect: product name and brand, item/model number, date and place of purchase, issue description, photos, proof of purchase.

6. FAQs

Q: What is ZURU Toys?

A: ZURU Toys is a global toy company that develops and distributes toys and play products.
Q: What are ZURU's popular toy brands?

A: XSHOT, Mini Brands, Rainbocorns, Pets Alive, Robo Alive, Bunch O Balloons, Fuggler, Smashers, 5 Surprise, and Snackles.

Q: Where can I buy ZURU toys?

A: Through major retailers and channels listed on https://zurutoys.com/. Availability varies by country.

Q: How can I find a toy's price?

A: Check the retailer listing for the exact product and country. Prices vary by region and store.
Q: How do I report a damaged toy?

A: Keep proof of purchase, photograph the damage, and contact the retailer or official support.
Q: How do I find the correct age recommendation?

A: Check the packaging and instructions for that specific product. Do not invent age ratings.
Q: Are all ZURU toys available in every country?

A: No. Availability depends on country, retailer, distribution, and stock.
Q: What should I do if a toy is missing a piece?

A: Contact support with product name, item number, purchase details, and missing part description.

Q: Can I use rechargeable batteries?

A: Only when the product instructions allow it. Match the required battery type and voltage.
Q: Does ZURU provide a warranty?

A: Warranty depends on product, country, and terms. Check documentation or contact support.
Q: How can I contact ZURU in India?

A: Ahmedabad: +91 81288 64506, india@zuru.com. Kolkata: +91 90383 84033.
Q: What is ZURU Tech?

A: ZURU Tech is the technology arm of ZURU. Website: www.zuru.tech. Careers: careers.tech@zuru.com.

Q: Can retailers inquire about selling ZURU products?

A: Yes. Contact ZURU through the official website for distribution and commercial enquiries.
Q: What information should I give customer support?

A: Product name and brand, item/model number, purchase date/place, issue description, photos, and proof of purchase.
