[SECTION: FAQS & POLICIES]

Customer Question	Official Verified Answer	Category
What are your business operating hours?	The digital assistant is available 24/7. Human support operates Monday·Friday, 9:00 AM·6:00 PM local time unless a holiday calendar says otherwise.	Hours
How can I request a customized quotation?	Use Pricing & Quote or describe your requirements in chat. A specialist follows up with a written estimate.	Quotes
What is your refund or cancellation policy?	New subscriptions may cancel within 14 days for a full refund if onboarding deliverables are unused. After that, billing follows the contract notice period.	Refunds
How do I contact a senior representative?	Use Schedule a Callback and pick a slot, or ask for a human agent · we escalate with your ticket summary.	Contact
Where can I see product feature comparisons?	Ask for a comparison of Standard vs Professional tiers, or open Our Offerings for the catalog summary.	Products
Do you offer onboarding and training?	Yes. Custom Consultation & Setup includes configuration and a team training session; extra workshops can be quoted.	Onboarding
How is customer data protected?	We apply role-based access, encryption in transit, and tenant isolation. Detailed security summaries are available on request.	Security
Can I integrate with my existing tools?	Professional tier includes standard integrations; custom APIs are scoped as professional services.	Integrations
What SLAs do you provide?	Professional plans include priority support SLAs (response targets in the order form). Standard plans use business-hours email/chat support.	Support
How do license seats work?	Standard includes up to 5 seats; Professional is unlimited seats under fair-use. Extra admin seats can be added on Standard.	Licensing
Do you support multi-location businesses?	Yes · multi-branch profiles and localized menus can be configured during onboarding.	Setup
How do I report a bug or outage?	Raise a ticket via Customer Support with screenshots and time of issue. Critical outages are escalated immediately.	Support
Is there a long-term contract requirement?	Month-to-month and annual plans are both available; annual plans usually include a discount.	Pricing
Can I white-label the experience?	White-label options are available on enterprise agreements · ask Sales for branding guidelines and feasibility.	Branding

Knowledge Base Articles (indexed for chatbot retrieval)

Knowledge Article Title	Category	Article Content
Getting Started, Plans & Onboarding	Onboarding	# Getting Started Choose Standard or Professional based on seats and support needs. Onboarding includes configuration help; Custom Consultation adds training and architecture review. Share your success metrics early so we tailor menus, FAQs, and automations to your workflows.
Support SLAs, Escalations & Refund Policy	Support	# Support & Refunds Human support runs business hours; the bot is 24/7. Ask for a human agent anytime for grievances. New subscriptions may cancel within 14 days for a full refund if deliverables are unused. Afterwards, cancellations follow the contractual notice period.
Security, Integrations & Data Isolation	Security	# Platform Trust Tenant data is isolated with role-based access and encryption in transit. Professional plans unlock standard integrations; custom APIs are quoted separately. Request our security summary for enterprise questionnaires and DPIA support.

[SECTION: BOT PERSONA & GUARDRAILS]

Parameter	Rule & Guideline
Tone & Persona	helpful
Welcome Message	Welcome to Apex Logistics. Explore freight services, request a quote, or ask how to share an AWB for status guidance.
Never State (one per line)	- guaranteed customs clearance times - fixed ocean rates without validity window - delivery without address verification - hazardous goods acceptance without DG check

Forbidden Terms	OTP, pay to personal UPI, undeclared cargo
Escalate Keywords	lost shipment, damage, fraud, legal, urgent, customs hold
Handoff Keywords	human, agent, ops manager, person
Escalation Message	Connecting you with Apex operations. Keep your AWB ready.
Human Escalation Rule	Pause bot and alert humans when handoff/escalate keywords appear or confidence is low.
