AI WhatsApp Chatbot Onboarding Guide

Vertical: Software & IT Services (it_software)

Complete this template and upload it via the Admin Console to automatically configure your bot.

[SECTION: BRAND & PROFILE]

Parameter	Description	Value / Client Input
Company Legal Name	Registered entity name	Leeway Softech Private Limited
Brand / Display Name	Public WhatsApp-facing name	Leeway Softech
Tenant ID / Code	Lowercase slug (unique)	leewaysoftech
Industry Vertical	Must match kit vertical	it_software
AI Bot Name	Assistant persona name	Leeway Tech Advisor
Brand Tagline	1·2 sentence positioning	Innovative Technology. Creative Work. Trusted Delivery. · AI, software & CPaaS since 2012
Official Website URL	https homepage	https://leewaysoftech.com
Logo URL	Public PNG/JPG (min ~512px)	https://leewaysoftech.com/assets/logo.png
Closing Signature	Sign-off on bot messages	Leeway Softech · Building software that moves business forward.
Welcome / Greeting Message	First reply after Hi	Welcome to Leeway Softech! Ask about services, tech stack, projects, careers · or request a quote / callback.
Support Email	Customer care inbox	sales@leewaysoftech.com
Support Phone	Helpline with country code (+91·)	+91 8690783030
Sales / Enquiries Email	Lead & quote destination	sales@leewaysoftech.com
Notifications Support Email	Optional second inbox	support@leewaysoftech.com
Brochure URL	Downloadable PDF link	https://leewaysoftech.com/company-profile.pdf
Brochure Label	Button / menu wording	Company Profile
WhatsApp Bot Number	Send2Digital / WABA MSISDN	+91 8690783030
Timezone	IANA timezone	Asia/Kolkata
Always Open?	true = ignore open/close window	No
Opens	HH:MM 24h	09:30
Closes	HH:MM 24h	19:00
Open Days	Weekday pattern	Mon·Sat (closed Sunday)
Business Hours (display)	Human-readable schedule	09:30 AM - 07:00 PM (Mon-Sat) · Support focus 24/7
Out-of-hours Message	Fallback when closed	We are outside working hours (Mon·Sat 09:30·19:00 IST). Leave your name, phone and project summary · sales will call you next working day.
Tone / Persona	Bot voice	professional and confident
Vocabulary · plural item	e.g. products / services / packages	services
Vocabulary · singular item	e.g. product / service	service
Vocabulary · browse label	Menu browse title	Our Services
Vocabulary · brochure label	Brochure CTA	Service Brochure
Vocabulary · lead noun	enquiry / booking / consultation	enquiry
Vocabulary · enquire button	Lead CTA label	Enquire
Vocabulary · support label	Support CTA	Raise Ticket
Features ENABLED	Capabilities turned on	offerings, offering_details, services, brochure_pdf, lead_capture, quote, callback, book_appointment, faq, kb, complaints, handoff, human_handover

Features DISABLED	Must stay off for this vertical	cart, buy_now, orders, payments, track_order, returns, distributors, products, products_schemes, campaigns

[SECTION: OPERATIONS & DOMAIN]

Vertical-specific wizard answers · classifier keywords, policies, lead context.

Domain Field	Why we need it	Your Answer
Technologies / tech stack	Chips the bot understands	React, Next.js, Node.js, Python, Flutter, AWS, Azure, GCP, AI/ML, DevOps
Engagement models	How you contract	Mixed · Fixed-price, Time & materials, Dedicated pods / retainers
Typical engagement size	Budget framing for quotes	Projects from ·75,000 · dedicated pods from ·1.8 Lakh/month
After-sales / AMC / SLA	Post go-live support	60-day defect warranty; optional SLA retainers for monitoring, patches & feature velocity
Certifications	Trust signals	ISO 9001:2015, ISO/IEC 27001:2013, CMMI Level 3
Offices	Locations shown on Benefits	Mumbai (corporate), Bhavnagar (registered), Delhi/NCR, Ahmedabad
Founded / scale	Credibility stats	Founded 2012 · 1500+ clients · AI MoU with Government of Gujarat

[SECTION: FAQS & POLICIES]

Customer Question	Official Verified Answer	Category
What services does Leeway Softech provide?	AI development, custom/enterprise software, SaaS, data engineering & BI, CPaaS (SMS, Email, WhatsApp, IVR), web & mobile apps, UI/UX, cloud/DevOps, and digital transformation.	Services
Is Leeway an AI development company?	Yes · Generative AI, AI chatbots, machine learning, computer vision, and AI automation for business processes.	Artificial Intelligence
Do you build WhatsApp Business API solutions?	Yes. We integrate Meta WhatsApp Business API for support bots, notifications, and broadcasts, including CRM/website sync.	WhatsApp Solutions
What is CPaaS and do you offer it?	Communications Platform as a Service · messaging/voice capabilities via APIs. We offer CPaaS, SMS gateway, SMSC, omnichannel, push, and bulk email.	Platforms
Which industries do you specialize in?	Government & public sector, banking & financial services, education, hospitality, enterprise/corporate, politics, and retail/e-commerce.	Industries
Where is Leeway Softech based?	Founded 2012. Corporate office Mumbai; registered office Bhavnagar; branches in Delhi/NCR (Noida) and Ahmedabad. Delivery also supports USA, UK, UAE, Canada, Australia.	Company
How do I contact sales or support?	Sales: sales@leewaysoftech.com · Consultation +91 8690783030 · Support +91 8000305305. Typical reply under 2 hours for message inquiries.	Contact
How do you estimate project costs?	We scope features, integrations, roles, non-functionals and timeline, then propose fixed-bid, T&M, or dedicated squad pricing with a written SOW.	Pricing
What engagement models do you offer?	Fixed-price projects, time & materials, monthly dedicated teams/pods, and outcome-based retainers.	Engagement
Do you sign an NDA before discussions?	Yes. Mutual NDAs before reviewing confidential architecture, code, or roadmaps.	Security & IP
Who owns the intellectual property (IP)?	Clients own 100% of custom source code, designs, and project data after agreed milestone payments (open-source components keep their licenses).	IP Ownership
What post-launch maintenance do you provide?	Typically 60 days warranty for defects we introduced, plus optional SLA retainers for monitoring, patches, and feature velocity.	Support
Which certifications does Leeway hold?	ISO 9001:2015, ISO/IEC 27001:2013, and CMMI Level 3.	Compliance

Can you take over a legacy codebase?	Yes · structured audit (tests, deps, infra, security) then stabilize vs rewrite recommendations.	Legacy
Do you deploy into our cloud accounts?	Preferred model is deploy into the client AWS/GCP/Azure org with IaC and least-privilege access.	Cloud
What frontend and backend technologies do you use?	Frontend: React, Next.js, Vue, Angular, TypeScript. Backend: Node.js, Python, Golang, Laravel, .NET Core · selected per requirement.	Technology Stack
Do you provide UI/UX design?	Yes · research, interactive UI, mobile app design, and design systems, standalone or with engineering.	Design
How can I schedule a consultation?	Message on WhatsApp, call +91 8690783030, or use Get a Quote / Book a Callback in the menu.	Consultation & Quotes
Are you hiring?	Yes · see Careers for open roles (sales, QA, design, support, etc.). Apply on https://leewaysoftech.com/careers with a PDF resume.	Careers
What makes Leeway different?	Certified security/quality, 1500+ clients, Gujarat Government AI MoU, and true end-to-end delivery from messaging platforms to full software builds.	Why Us
Which engagement models do you offer?	Fixed-price projects, time & materials, monthly dedicated teams, and outcome-based retainers for product pods.	Engagement
Do you work with existing internal teams?	Yes. We embed with client engineering via shared repos, CI, and standups, or run as a parallel delivery stream with clear interface contracts.	Delivery
What is your typical discovery timeline?	Paid discovery usually runs 1·2 weeks and produces UX flows, architecture options, backlog, and a budget-confidence estimate.	Discovery
How do you handle security and compliance?	Secure SDLC practices, dependency scanning, secrets management, and optional SOC2/ISO-aligned controls depending on the engagement.	Security & IP
Do you deploy to our cloud accounts?	Preferred model is deploy into the client·s AWS/GCP/Azure org with IaC (Terraform) and least-privilege access.	Cloud
What communication cadence should we expect?	Weekly demos, shared Slack/Teams channel, written status notes, and a single accountable delivery lead.	Delivery
How are change requests priced?	Out-of-scope items are estimated in writing and approved before work starts; velocity trackers keep the backlog transparent.	Pricing
Can you help hire or train our team?	We offer enablement workshops, pairing, and hiring scorecards as an optional professional-services add-on.	Enablement

Engagement, NDA, IP & Support	Delivery	# How We Work Understand · Plan · Build · Integrate · Test & Deploy · Improve. Engagement models: fixed-price, T&M, dedicated pods. Mutual NDA before deep reviews. Client owns custom IP after milestone settlement. Warranty period plus optional SLA retainers for production support.
Offices, Hours & Escalation	Contact	# Reach Us Hours: 09:30·19:00 Mon·Sat (IST); platform monitoring emphasis 24/7. Mumbai · Bhavnagar · Noida · Ahmedabad · see Contact Us on the website for full addresses. For disputes or urgent account issues, ask for a human agent / raise a ticket · never share OTPs or passwords on chat.
Engagement Models, SOW & Change Control	Delivery	# How We Engage We deliver via fixed-price, time & materials, or dedicated squads. Every engagement starts with a written SOW covering scope, milestones, acceptance criteria, and commercial terms. Change requests are estimated and approved in writing before implementation so budgets stay predictable.

Security, NDA & Intellectual Property	Security & IP	# Security & IP Mutual NDAs precede deep technical discussions. Custom code and designs transfer to the client after milestone payments, excluding third-party/open-source components which keep their licenses. Access is least-privilege; secrets stay in vaults; production access is logged.
Support Warranty & SLA Retainers	Support	# After Go-Live Projects include 60 days warranty for defects attributable to our delivery. Ongoing SLAs can cover uptime monitoring, dependency patches, and a monthly feature capacity. Severity-1 production incidents get priority response under active retainer terms.
